Dear Wisconsin Lutheran Grade School Band Parent,

We hope that you are all having a wonderful 2017 as we slowly approach the summer months. It is the time of year when we once again share the brochure and registration form for the 2017 WELS Summer Band Camp. This camp not only serves as an excellent way for students to progress on their instrument in the summer, but it also is a way for young people to interact with other musicians in a Christian environment. The advantages of our camp include:

- A Christian emphasis – staff and instructors are WELS members
- A variety of band activities – large group, small group, individual, marching
- An experience in all of the arts – instrumental & choral music, composition, theater, visual arts
- Fun and exciting adventures in an overnight setting and day trips all over the city

Enclosed is a camp brochure and registration form. We would love to have your child join us this summer for our WELS Summer Band Camp the week of June 18-23 as we explore our theme for the year – *Let’s Celebrate*. We are excited to explore the music of festivals, holidays and celebrations throughout the world and across time!

Additional brochures, information and need-based scholarship applications (from Soli Deo Gloria) are available on our web site: www.solideogloriainstitute.org. You must register online through our website—click on “Band Camp” and then “Register Online”. You can also visit our Facebook page at www.facebook.com/welssummerbandcamp to find more info!

There may be some scholarship funds available from our WL GS Band Program as well! Contact Mrs. Hohenstein if you’d like to apply. We want to do what we can to get our band students at this camp!

If you have any questions or comments, please feel free to contact either of us at your convenience. We look forward to having your child join us for a great time this coming summer!

God’s blessings!

In His Service,
